

Help Wanted for Faith Food & Friends: Would you consider helping poor Philadelphians through our Faith Food and Friends program, faithandfriends@oldstjoseph.org? For years we have taken in the mail for homeless guests who have no mailing address. Now we need some “postal” volunteers to continue this service.

The work is easy - just sort incoming mail and file it in our special Post Office box, then give it out as people leave the program. Meanwhile you receive the grace and privilege of greeting and chatting with our guests. When needed, you may also like to help serve our nutritious hot meals.

The hours are Tuesday, Thursday and/or Saturday, 10:15 A.M. to about 12:30 PM. The “job” can be from one to three days per week, depending on your preference. Days off and vacations are assumed, which is why we are looking for more volunteers. Pay is spectacularly low: \$0.00.

Here is a chance to work with other parishioners and "walk with the poor, the outcasts of the world, those whose dignity has been violated, in a mission of reconciliation and justice", as our Jesuit brothers invite us to do. If interested, just email us at the above address, or call 215-284-2860 and ask for parishioner Bill Culleton. Thank you!!
